Have you ever blocked a call on your cell phone and wanted to know who is on that blocklist?

Android phone: to unblock numbers
To view your blocked list on an Android phone, you can follow these steps:

1. Open the Phone app on your Android phone.
2. Tap the menu (three-dot) icon in the upper-right corner.
3. Open Settings.
4. Select Blocked numbers.
5. Check the blocked numbers list.

You can also add a number to enter a phone number to block calls and texts from, or tap the x mark beside a phone number to unblock them[1][2].

How to see blocked numbers on your Android phone (androidpolice.com)

To unblock someone on your iPhone, you can follow these steps:

1. Click the Settings icon.
2. Scroll down to Phone, and tap it.
3. Scroll down to Blocked Contacts, and tap that field. You'll see a list of all contacts you've blocked.
4. Swipe left on a contact to unblock it.

To unblock multiple contacts, tap Edit (in the upper right-hand corner of the screen) and tap the red circle to remove the number from your Blocked Contacts list[1].
