Cruise from the Emerald City of Seattle to the wilds of Alaska for seven spectacular days. Pan for gold, feast at a salmon bake and visit a musher camp in Skagway. This town is easy to explore on foot, but the White Pass Railway will reveal Alaska's beautiful interior. Another great walking town is Ketchikan, salmon capital of the world. Look for salmon in the water as you stroll and shop along the elevated walkway at Creek Street. For whales, take a sightseeing tour to Misty Fjords. Before or after your cruise, get to know Seattle and its landmark attractions like Pike Place Market. Spend a few hours shopping, dining and watching them throw fish at the seafood counters. For exhilarating views, head to the top of the Space Needle.
