**President’s Message  
by Mike A.**

Howdy. Well, summer is officially over and fall has arrived, not that we can tell a difference, yet. Soon our brothers from up North will be flocking back to paradise. It will be great seeing their smiling faces again as they are returning just in time for two of our biggest events of the year: the Fall Picnic and the Holiday Dinner Dance.

I’m looking forward to the picnic this year as it has got to be a change from last year. If you were there, you’ll remember that, through no fault of our own, it rained for a week right before the picnic so the grounds were underwater. You would have needed scuba gear to play Corn Hole. Our pavilion was an island with picnic tables and the temp was in the 50s with a strong off shore wind that made us huddle under blankets. But in spite of all that, we had dozens of men laughing, eating, drinking, and having a great time.

The Holiday Dinner Dance plans have been finalized and you will see messaging on that in the next few days if you haven’t already. Here is a friendly word of warning. The venue is smaller this year than in the past. We will be accepting **NO MORE THAN 75** reservations (this is more than have attended each of the last two years). When you get the notification how to RSVP, I suggest you respond right away. Do not be the member that waits until the last second and then is disappointed when you get a call saying we are returning your check because we have reached our limit. Please, **DON’T BE THAT GUY!** This year promises to be our best ever and you don’t want to miss the great meal and the live band. So don’t delay.

Lastly, this month I’d like to urge any of you who would like to be part of planning and running Prime Timers Sarasota to step up and run for the Board of Directors. Instructions on how to nominate yourself will be emailed in the next few weeks. The time commitment is minimal but the rewards are substantial. It’s been fun and you get to meet a lot more of your brothers by being involved. I’ve been on the Board for seven of the eight years I’ve been a member and I can attest that it has been very rewarding.

## Who We Are

Prime Timers Sarasota is a non-partisan social club for gay, bisexual, transgender or transitioning men over 21. In addition to our Fall Picnic and Holiday Party, each month we offer a potluck supper, two luncheons at area restaurants, a members' meeting with a speaker, home nights with games or movies, and day trips by bus or car pool to unique Florida Sun Coast attractions. Our social events are chosen to fit individual needs, priorities and affordability. Equally important is our commitment to Care and Support, where members assist one another with activities and needs of daily living. If a member is ill, injured or otherwise incapacitated, he can reach out for assistance to members nearby to help him with activities such as shopping, transportation, moral support, or help at home.

## ***ALL FAITHS FOOD BANK***

Hi Friends, I just read the most recent *Food for Thought* newsletter from All Faiths Food Bank. If you'd like to receive your own copy on a regular basis, contact the Food Bank on their website. I was stunned to read about the family whose rent went up by \$800 per month! They are looking for a job with a better income but, in the meantime, they rely on the Food Bank to help them make ends meet. Did you know that 38% of households in Sarasota struggle to afford their basic needs and that 68% of households in DeSoto County have the same struggle? The speaker for our October's member meeting will be Rachel Bradley, the Director of Philanthropy for All Faiths Food Bank. Here are the suggestions we sent to her for her talk: Do contributions provide services in addition to food? What is the history behind the forming of All Faiths Food Bank? What is the service area of the Food Bank? What are the volunteer opportunities? Can you show us some photos of the Food Bank facilities? We will also have time for questions and discussion. I hope this whets your appetite to make attending the October meeting a top priority!

Thanks, Mike Moran
