**A WORD ABOUT PHOTOGRAPHY**

Almost everyone loves to have his picture taken- however, a few of our guests don't and we want to respect their wishes. If you indicate that you don't want your picture taken, your ID tag will be a different color, and we will encourage our photographer, and others who are taking pictures to attempt to respect your wishes. That means we will try to avoid taking your picture but if your tag is not visible in the picture, or you are in a large group, you might inadvertently get included. We are sorry if that happens. **If you don't mark the block on the front, we will assume that you are willing to have your picture taken. As usual, selection of pictures is solely at the discretion of our editors.** No pictures that might be considered legally unacceptable will be used on the COPT website or other Prime Timer Chapters.

**COST OF THE EVENT**
