Enriching social lives of mature gay/bi men

## *President's Message*

By Steve Horowitz

**February 2026**

Happy Valentine's Day! Valentine's Day wasn't always all cherubs and hearts. As you probably know, the day is named after St. Valentine. The holiday's origin might stem from the ancient pagan festival of Lupercalia, which predated Christianity. Similar to the modern Valentine's Day holiday, the Roman festival was celebrated in the middle of February and involved feasting and pairing off partners. However, *unlike* Valentine's Day, it was a bit of a raucous celebration filled with debauchery, blood, and sacrifice. For example, it was tradition for the hide of a sacrificed goat to be cut into strips and dipped in blood. Then, priests would go around slapping women with the strips. The practice was supposedly welcomed, as it was believed to make the women more fertile in the coming year. The theory goes that as Romans turned away from their pagan beliefs and embraced Christianity, the holiday evolved into one honoring St. Valentine. Lupercalia was eventually outlawed at the end of the 5th century, right around the time Pope Gelasius declared February 14<sup>th</sup> as St. Valentine's Day.

On Valentine's Day, many people wonder whether to focus their celebrations on a particular loved one or to include all their friends and family. For those of us in the LGBTQ+ community, our friends often become our chosen family. In this sense, Prime Timers embodies that spirit—bringing together a group of individuals who consider each other both friends and family. This community provides a space where everyone feels the warmth and support of belonging, making Valentine's Day an opportunity to honor the special connections we share with those closest to us.

The original mission of Prime Timers Worldwide was to create a social outlet exclusively for gay, bisexual, and male transgender men. Over time, the Sarasota chapter recognized the importance of expanding this mission. In addition to being a welcoming social group, Prime Timers Sarasota now places a strong emphasis on providing care and support to its members. This evolution reflects our commitment to building a community where everyone feels valued, supported, and connected.

Under this care and support umbrella, we recently have developed a number of programs: Member drivers to assist non-driving members; cell phone, tablet, and computer help; sending E-cards for birthdays, illnesses, and for difficult times; holding Singles and Solos socials; check-ups with single members living alone; and a Hospital Team to provide assistance for members in and after hospital stays.

From my perspective, kindness is the key. Let's treat each other with kindness with the things that we say and that we do to one another. I encourage you to embrace the concept of kindness. You will be much happier for it. This is my Valentine's Day wish for you.

*Steve*

**Prime Timers Sarasota** is a nonpartisan social club for gay, bisexual, male transgender or transitioning men over 21. In addition to our Fall Picnic and Holiday Party, each month we offer a potluck supper, two luncheons at area restaurants, a members' meeting with a speaker, home nights with games or movies, and day trips by bus or carpool to unique Florida Sun Coast attractions. Our social events are chosen to fit individual needs, priorities and affordability. Equally important is our commitment to Care and Support, where members assist one another with activities and needs of daily living.
