

**Tidewater Prime Timers of
Southeastern Virginia**

Welcome to the Tidewater Prime Timers!
We are a member of the World Wide Prime Timers movement. The club is a group of gay men and bisexual adult men and their male admirers. It was started in the summer of 1997. We have out-grown three former meeting places and now hold our general meeting on the third Sunday of each month at the Huette Center, 1000 Botetourt Gardens at Westover Avenue in the Ghent section of Norfolk.

We have no political agenda, but we do have a social one. We try to promote fellowship among our members, to provide programs that they may find enlightening and to enjoy life! We survey our members from time to time and, from their responses, we have created, and are continuing to create, a series of shared interest groups which the members organize on their own. Over the years, we have had a bridge group, a camping and hiking group, a theater group, a baseball group that attends the Tides games, a shopping group, a gardening group and a cooking group, among others.

In addition, there are numerous, weekly "dutch treat" lunches and dinners that our members enjoy attending. These are held at various restaurants around the Tidewater area.
